

The Crescent Cell Sample Card

Dear Maria,

Hello! My name is Zion. I'm 17 years old and I'm a student at Skyview High School. I heard about you and just wanted to stay stay strong! I'm learning about sickle cell. It sounds so hard. I hope you're doing ok. I heard that you love basketball. I love it too! Who's your favorite team? Always remember that I support you!

Take Care,
Zion
